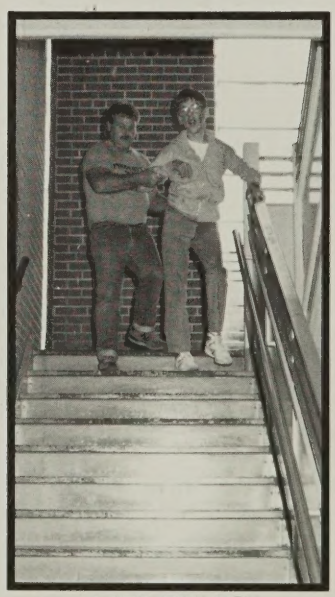
CARING

What is excellence? Excellence involves many facets of life. Among these are respect of our country and state; guiding new students; handling classwork and leisure work appropriately; motivating oneself to be spirited and ambitious; caring and helping those in need. A combination of all these put our school and students on a level of excellence.



HELPING

TO EXCELLENCE!

This poem is dedicated to all our friends in the class of 1990. For some of us it has been thirteen years together but for a few it has been less, however, the closeness we feel for one another is the same. We've been together through some bad times and through some good times. The memories we made together will last forever. Mayday, Prom and Homecoming were all special times that will always remain in our hearts. How could anyone forget the two first places won for Homecoming and all those Kleenex flowers that we have fluffed?

So after graduation when we go our separate ways keep this poem in your heart and in your mind.

Just yesterday we thought
the time would never come.
Looking back on it now —
our senior year is almost done.
A change is about to take place —
but, for the good or for the bad?
The thoughts of the future
now only make us sad.
The days fly by quickly
as Commencements grow so near.
We try to show excitement,
when inside there's only fear.
The best days in our lives,
they've been shared with you, my friends,
Now how can we just sit
and watch it all come to an end?
The tears are now flowing,
the memories remain.
Looking back at what we leave behind:
it just won't be the same!
As we vow that we will stay in touch
we wonder if it's so.
As we turn and start to walk away:
running back, we can't let go.
The future stands before us
looking us right in the face,
What we do now is a lifetime:
only we can set the pace.
I'll look always behind me
to remember through the tears:
The best of times were spent with you
all through our high school years.
I've but one wish for the future.
it's a wish for all of you.
I wish you health and happiness,
whatever you may do.

The Class of 1990 is not saying good-bye because good-bye means leaving something behind, and instead of leaving something behind we are taking many important things that will always be with us such as: **a feeling of pride** that each of us have for what we have accomplished at PHS; **the memories of special events** like the prom, homecoming, and all the special times we have shared with each other; **the kindness of teachers** whose patience and understanding wouldn't let us give up when things got tough and who taught us to strive for excellence in all things; and the **love of our parents** — those wonderful people who stood beside us and tried to understand us when we didn't understand ourselves.

So instead of good-bye we say thank you for all of this and so much more.

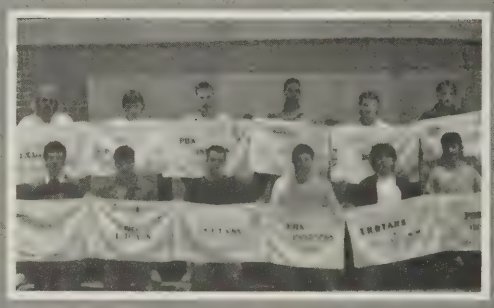
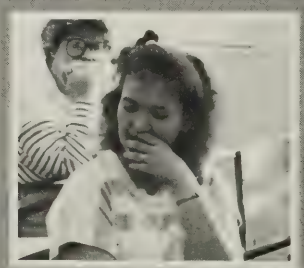
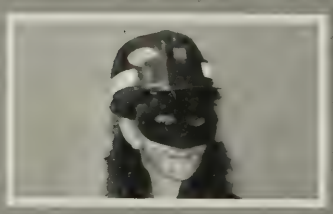
WE'VE GOT PERSONALITY!!

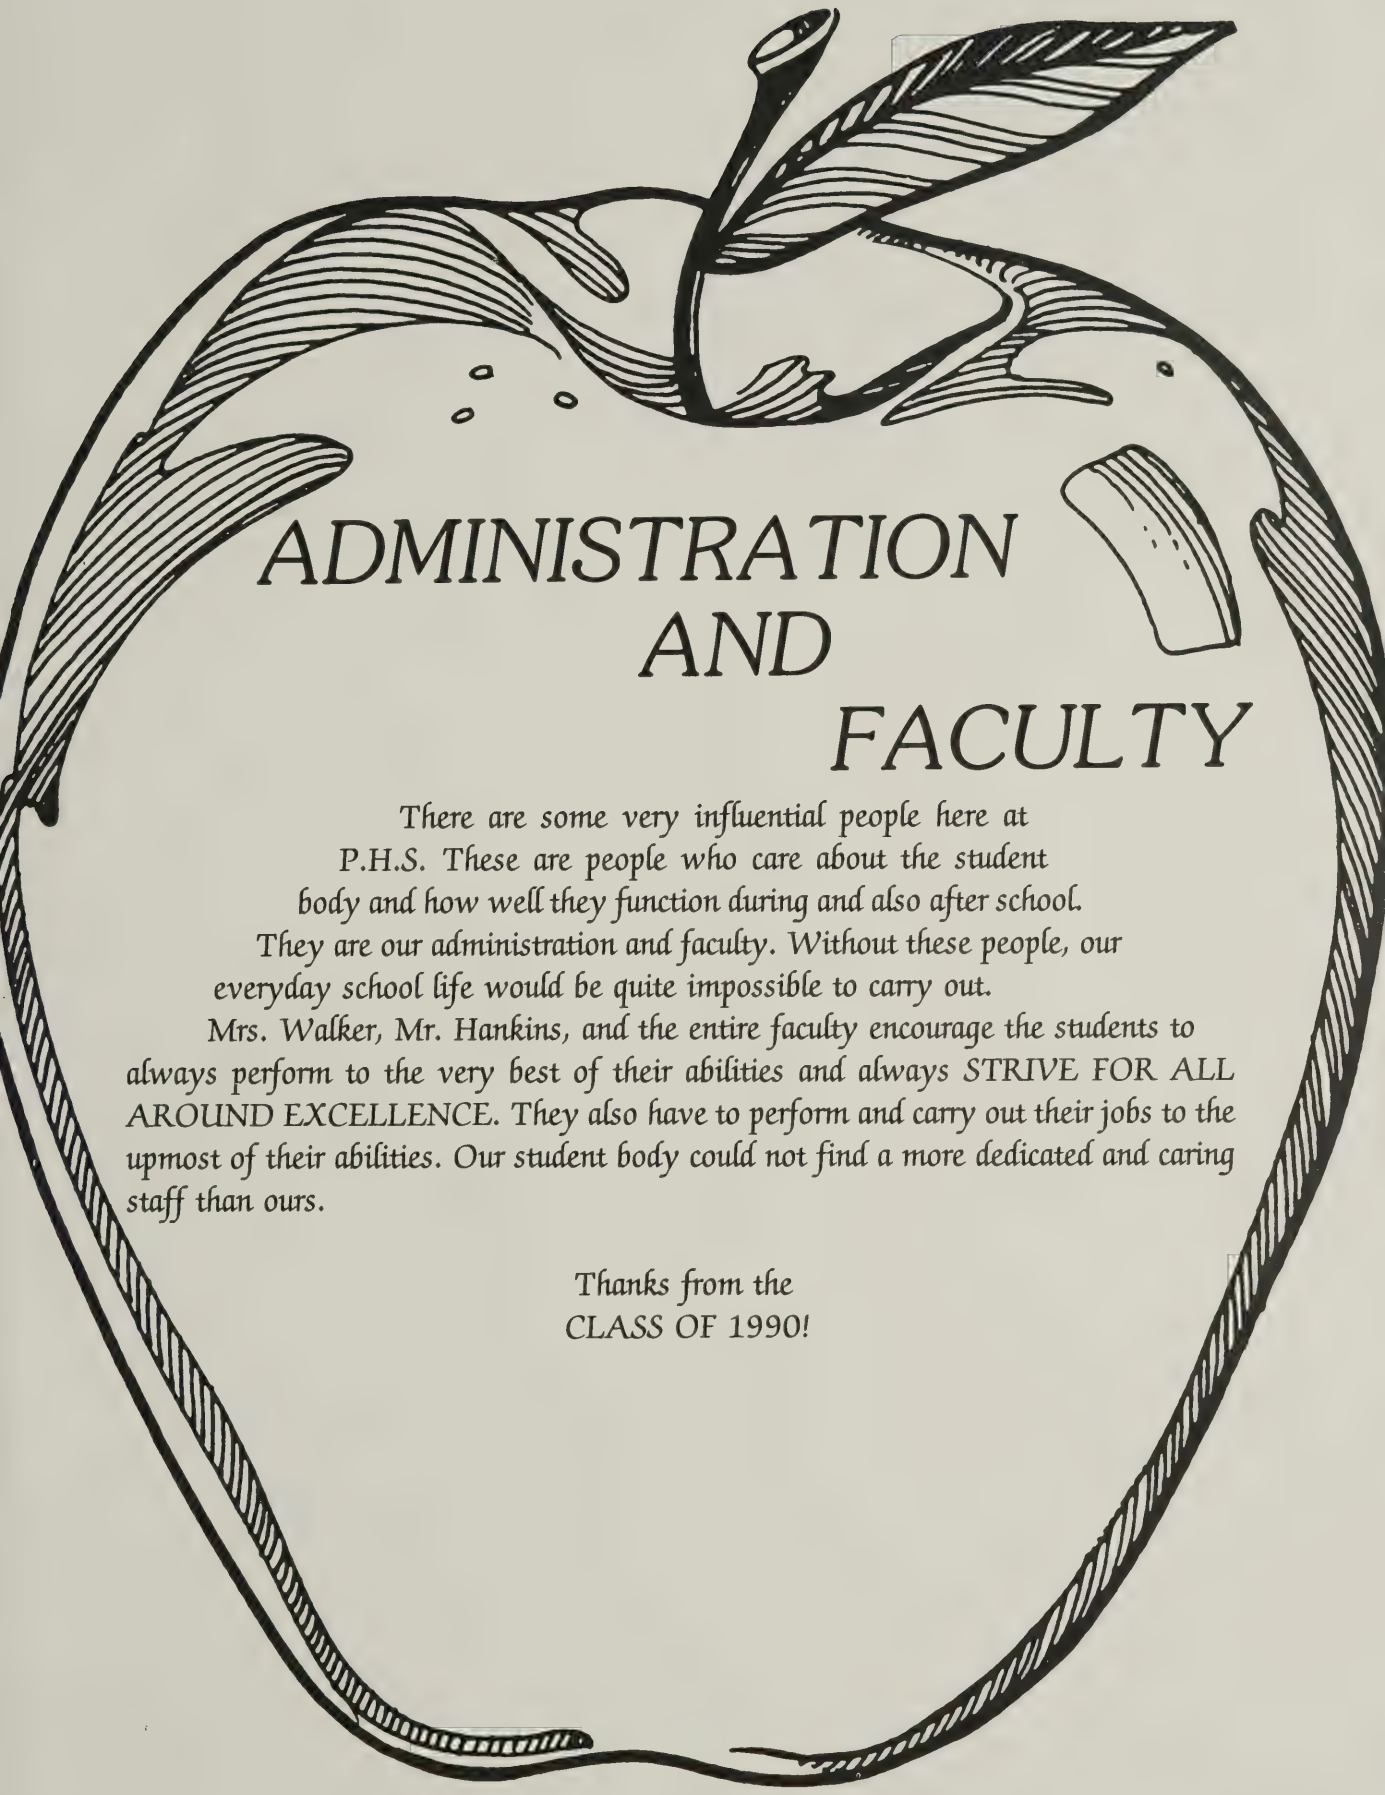
SENIORS CLASS OF '90







THE BEST!!!



ADMINISTRATION AND FACULTY

There are some very influential people here at P.H.S. These are people who care about the student body and how well they function during and also after school. They are our administration and faculty. Without these people, our everyday school life would be quite impossible to carry out.

Mrs. Walker, Mr. Hankins, and the entire faculty encourage the students to always perform to the very best of their abilities and always STRIVE FOR ALL AROUND EXCELLENCE. They also have to perform and carry out their jobs to the upmost of their abilities. Our student body could not find a more dedicated and caring staff than ours.

Thanks from the
CLASS OF 1990!

STRIVING FOR EXCELLENCE

Mrs. Bessie Walker
Principal

Year after year, Pocahontas High School is fortunate to benefit from the dignity, leadership and love of Bessie Walker.

Academics and athletics have prospered under her leadership this year. Faculty and students have grown from her influence. Life is a day to day struggle and joy. Mrs. Walker's examples teach us all how to survive.

Described sometimes as "hard-nosed," she has but one intimate goal . . . to lead Pocahontas High School towards unsurpassed excellence in every aspect.

There are never enough hours in the day to perform all the tasks of the assistant principal.

Mr. Hankins, in carrying out his responsibilities always has the best interest of Pocahontas High School and its students at heart. Each task and situation is handled fairly and efficiently.

The greatest tribute is payed through the thanks and appreciation of the beneficiaries of a given performance. To Mr. Hankins goes our thanks and admiration for making each of us strive towards excellence here at P.H.S.

The Sophomore Class this year is faced with a different view of school. Some serious learning and decisions are in their immediate future. They must learn the motor vehicle laws as part of becoming responsible drivers, and they must organize the Spring Festival. These challenges, along with more academic expectations, make the sophomore year a starting place in striving for the all-around excellence desired by every P.H.S. graduate.

August 28, 1974 to April 16, 1989

On April 16, 1989 we lost not only a fellow student but a good friend. Bobby will be greatly missed not only by the students here at Pocahontas High, but by everyone who knew him.

Although we may ask ourselves, "Why?" that small voice of calm whispers to us saying,

"Be still and know that I am God!"

Psalms 4:4

Flowers

Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower:
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down today.
Nothing gold can stay.

FOOTBALL

In August, the Varsity Football team set their goals for success. Throughout the hot days of August and the long days of September and October they strove to achieve these goals.

The ultimate goal was to win and to become a "team." From the first day of practice when 31 boys showed up, the most players Pocahontas has had in several years, the attitude and hard work pointed toward the success that was hoped for.

While the season was not perfect in terms of win-loss, the wins they did get, the team work and the determined attitude made the season a success and each player a winner.

The Lady

The 1989 Lady Indians have been striving for a "goal" during their season. Their hard work and determination added up to the success they achieved, and made this probably one of the best varsity seasons yet.

These eight players have shown real dedication to this sport. The players have had a lot of help from the determined coaches who pushed them to new personal limits.

Without a doubt, whether in terms of wins and losses, hustle, pride or satisfaction these ladies have exceeded their goals and are part of the winning and succeeding attitude at P.H.S.

The Junior Varsity Lady Indians enjoyed a full and exciting season this year. Under the leadership of their new coach, Steve Brady, the ladies achieved a record of 8 wins and 7 losses. All 9 members put forth a great effort and dedicated themselves in both hours of practice and in games. We congratulate top scorers, Ginger Earnest, Kathy Boone, and Angie Fleming, and the rest of the team for their continued sportsmanship during their quest for athletic excellence.

Standing: Jessica Bowman, Jamie Whitlow, Amy Green, Eva Shupe, Jessica Hall, Tonya Harris, Kristy Clark. Kneeling: Tracy Murphy, Tonya Dillion, Tanya Hodock, Michelle Agee, Jamie Dillion, Tammy Wright, Angie Blaskowski, and Terri Brown.

What do I do now?

Just a Little Higher.

I got it, I got it.

Since last year, the Junior High girl's basketball team has also progressed. After long practices, hard work, and high spirits the Junior High girls established a record of 13-7 with the help and dedication of their loyal coach, Mrs. Gilla Bradshaw. A step towards excellence by the Junior Lady Indians.

CONGRAT -U- LATIONS!!

Although these guys don't get much attention, they worked hard this season. The improvement and dedication of the seventh grade team deserves praise and recognition. Each player made his contribution to a team effort.

From their first game, the eighth grade team showed a special excellence. This quality grew and grew as the season progressed. In their final game, a 34-33 victory over Graham Middle School, they achieved their goal. Congratulations, 1990, eighth grade Tazewell County Champions.

I can't figure out how to use this thing!

Decisions, mistakes and deadline after deadline are just a few of the things this year's annual staff were faced with. Each and every one of these members worked extremely hard and they gave more than their all in putting this annual together. An enormous amount of time, effort, hard work and determination has been put in to making this year's memories last a lifetime.

The excellence of academics here at Pocahontas was exhibited during last season's Tazewell County Academic Competition. Our Science Team finished the season in first place, resulting in the addition of an academics' trophy for our display case.

All other teams competed with enthusiasm and a high degree of success. In general, Pocahontas showed that quality is not measured by school size but by individual performance.

This season begins with the return of most competitors who "brained" their way to recognition last season. Hopes and expectations run high as our scholars prepared to storm the opposition.

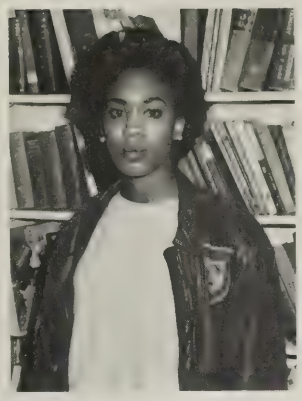
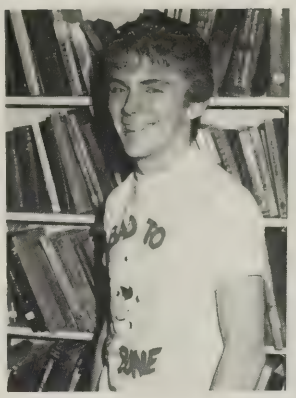
UPWARD BOUND

Kristy Baker



Judy Mattox



George Shupe

Upward Bound is a program founded by the U.S. Department of Education. Its purpose is to encourage and prepare high school students to pursue a college education. It provides counseling, information on colleges and universities, tutoring, cultural activities, and university experience. For six weeks each summer you can live on Virginia Tech campus, participate in academic classes, enjoy sports and other group activities, and participate in choir and talent show. You are eligible for this program if you are in high school but have not entered twelfth grade. It requires that each student attend two Saturday tutorial sessions at Virginia Tech and participate in the summer program.

TALENT SEARCH

Seniors: Michelle Cranfill, Debbie Lusk, Debbie Payne, Angie Phipps, Sherry Powers, Terry Powers, Teresa Roberts, Tina Shupe, Jennifer Smith (NP); Juniors: Stephanie McClanahan, Angel Rider, Cheryl Scott (NP), Brandy Sheppard (NP); Sophomores: Kathi Boone, Roger Cook, Ginger Earnest, Stacy Hall, Nicole Mounts, Wendy Payne, Neal Roberts, Angie Scarberry, Deidre Thompson, Michelle Walker (NP), Amanda Wyatt; Freshmen: Beverly Allen (NP), Pasty Hammons, Drema Lambert; Eighth Grade: Jodi Baker, Carrie Dillon, Timmy Hammons (NP), Mark Hodge, Gwen Jackson (NP), Kevin Pauley, Mike Davis (NP)

Talent Search is a program designed to encourage students to complete high school, to choose a career, and to pursue a college education. Also, Talent Search can help students who have dropped out of school to obtain a GED. These goals are accomplished through educational, cultural, and social experiences. It provides you with information on colleges and universities, counseling, assistance, and tutoring. It applies to people between the ages of 12-27, if your family's income is at or less than figures established by the U.S. Bureau of the Census and/or neither of your parents graduated from a four-year college. The speakers representing VPI are Karen Achmer and Jeannie Smith who visit our school the first and third Thursday of every month.

PROJECT DISCOVERY

Sitting: Chris Sabo, Scott Pardue, Brian Franklin, Lloyd Hall, John Wyatt, Crystal Pruett. Standing: Skip Williby.

Project Discovery is a program that helps first generation and low income potential college students. It teaches students to be responsible to make the right decision and also offers help to those students who are having trouble in a particular subject. They meet twice a month in workshops about financial aid, goal setting, and choosing the right college. This year they visited Clinch Valley, Southwest, King College, Bluefield State, and Emory and Henry. They also attended a ballet at Richlands High School. Two students from two different high schools were chosen to attend the General Assembly in Richmond and the two that were picked from our school were Lloyd Hall and Scott Pardue. Congratulations!!!

Despite the rain, homecoming was a great success. Our boys proved they were the "REAL INDIANS" on the field of battle, in defeating the Herdon Indians.

At halftime, eight beautiful young ladies walked across the muddy field carrying umbrellas. Each was anticipating the honor of being the 1989 Homecoming Queen. The tension of the moment was relieved when Kristy Baker lost her shoe in the mud; such are the making of memories.

While each of the ladies was deserving, only one could be queen. Our congratulations to our 1989 Homecoming Queen . . . Teresa Roberts.

The dance had to be postponed because of snow days; but when the big night finally arrived there was tension in the air. Who would be crowned Queen?

Each girl wore a formal gown and was escorted by a good-looking guy in a suit.

Members of the Pocahontas High School Marching and may be some of the most dedicated Indians around. Rain or shine these musicians come out to all home football games to play halfime shows, cheer on the team and arouse spirit in the other fans. The band is also involved in other activities. Aside form such annual events as the Homecoming and Christmas Parades, the band also participated in the Greater Bluefield Centennial Parade this year. Directed by Mr. Erskine this group practices hard learning to keep in step and to play new music with ease. Yet through all the striving for musical excellence, most of all this group has fun! Headed in the Right Direction

Another year of high school has come and gone. Students have made more memories to last a lifetime. Although they may not all be good, we hope to be able to look fondly on all these times and smile. Best wishes to all of Pocahontas High School in your never-ending journey toward excellence and happiness.
